We are happy to provide a puppy package that helps keep you and your new puppy safe. By purchasing a total health care package we are able to offer special discounted prices on all services provided in our puppy package.

Puppy Package \$300

This puppy package is for puppy's younger than 12 months and includes:

1. Total health examination
2. DHPP vaccinations (Parvo 3 to 4 vaccines)
3. Lepto Vaccines (2 vaccines)
4. Bordetella vaccine (for kennel cough)
5. Rabies Vaccine (given at 4 months or older)
6. First month of Flea Prevention
7. First month of heartworm prevention
8. Fecal

*** This package does NOT include spay or neuter***

Add on a Microchip for \$96

I understand, this package must be completed within a year. If it is not completed within a year the package becomes void. This package is nonrefundable and non-transferable. If vaccine dates are overdue and vaccines need to be restarted, you will be responsible for paying for the extra vaccines.
